LINOTYPE OPERATOR WANTED!

The Kentuckian will need a good linotype operator on or about May 25th or June 15th, as its mechanist-operator is in the calls on those dates. Must be able to care for his own machine, and a man who is a good printer as well as an operator is preferred. Permanent place and good wages to the right man.

Ten persons were killed, two probably fatally injured and dozens of others less seriously injured in a tornado which swept across the vicinity of Hays, Kansas, Tuesday.

The rumor that Field Marshal von Hindenburg died recently has become current very generally among the enemy in the back areas, as well as among civilians. What basis, if any, there is for the rumor is not known.

A troop train was wrecked near Garland City, Ark., Tuesday, the engine and four coaches being overturned. The engineer and fireman are reported to have been killed and sixteen or more soldiers injured.

Capt. James Norman Hall, of Colfax, La., who has been missing since May 7, is wounded and a prisoner in a German hospital. Capt. Hall who is attached to the American aviation corps, disappeared after an aerial engagement over the German lines.

Thirty-three students of the University of Kentucky will be trained at the camp Sheridan reserve officers training camp this summer. Elmer Weldon, of Sanders, Ky., won the \$20 Bennett prize given annually for the best paper on "The Origin and Development of Parliamentary Government." This is a feature at the university.

According to a London dispatch May 13, German prisoners captured in France declared that Field Marshal von Hindenburg was dead. This rumor gained some support by the fact that Gen. von Mackensen, the conqueror of Rumania, was either to be shifted to the western front or had already arrived there to take part in the renewed offensive against the allies.

Every railroad president in the United States was relieved from active duty as executive manager of his road Tuesday by Director General McAdoo who will appoint a federal director for each road, responsible only to the railroad administration. In many cases the president of the road may be named federal director.

To safeguard the interests of stockholders and maintain the individuality of each railway, federal directors whenever possible will be appointed from among the operating forces of the property, the director general announced.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadowville, Pa.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would grip me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use. Theodor's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

CITY SCHOOL CENSUS

WILL SHOW A DECREASE OF ABOUT 350 UNDER NEW LAW.

George Bradley has about concluded the work of taking the biennial school census of the city under the new law that reduces the school age from 20 to 18 years. This causes a considerable decline in the number of children of school age. Instead of 1600, there will be about 1250 for this year.

Eph Poston, who is taking the colored list, has not completed the work, but it will show a corresponding decrease.

THE LINCOLN YOUTHS' CHAUTAUQU

Dear Girls and Boys: Did you know that you are going to have a Chautauqua all your own this year? The Junior Supervisor is coming to stay with you for a whole week before the adult Chautauqua starts. You will play games, run races, and go on hikes, and on the fifth night you will have a big parade and play festival. Then the supervisor is going to tell you some fine stories and you will have such a good time. A college man with the best crew will give special attention to the boys' athletics during the regular Chautauqua week.

You are going to be on the program of the big Chautauqua; just think of that! We are giving a play this year called "Columbia's Awakening" and we want all the boys and girls in your town to take part. It is a patriotic play especially emphasizing Thrift, Good Fairy Thrift, Martha and George Washington, Uncle Sam and Miss Columbia and many other characters will be represented by the young people of your community.

This is your play and will be given the opening night of the adult Chautauqua. The Junior Supervisor will tell you all about it when she arrives and will help you make a big success of it. You will have a chance to sell season tickets and the supervisor will co-operate with you in putting on a campaign for the sale of Thrift Stamps.

The Lincoln Youths' Chautauqua has been growing more popular each year and now you can prove to your fathers and mothers that you can make a success not only of your Chautauqua, but help them make a success of theirs, and at the same time be doing your bit every one of you, for Uncle Sam is helping Win the War. You have a wonderful opportunity and I know I am going to be proud of the success achieved by you and your Junior Supervisor.

Youths' season tickets 8 to 15 years, inclusive, will be \$1.00 as heretofore. Buy your ticket early and urge your parents and friends to do the same. Ask the supervisor to tell you how you can earn the money to buy your own ticket. She will be glad to help you in every way possible.

Now, remember, you are going to have two full weeks of good times and I want you to be right on hand the day your supervisor arrives so as to not miss anything; meet her at the train if you possibly can and give her a royal welcome. Show her that you live in a live town and that you boys and girls are wide awake. If you want to know anything more about your Chautauqua I will be glad to have you write me.

Yours for a big success,
MYNNIE E. GORDON,
Director of Lincoln Youths' Chautauqua.

MISS EMMA HUNT BOUND FOR FRANCE

RED CROSS NURSE WELL KNOWN HERE GETTING READY TO SAIL.

Frankfort, Ky., May 21.—Miss Emma Hunt, State organizing nurse for the Tuberculosis Commission, graduate of the Louisville City Hospital, and the first Red Cross nurse in Kentucky, is at Camp Meade, Md., with a base hospital unit preparing to go to France.

She was granted a leave of absence from the commission, and, speaking in favor of it, Gov. Stanley said to the commission of which he is ex-officio president.

"Miss Hunt has rendered invaluable service to the state, and I want to take this opportunity to express my appreciation for her interest, her labor of love and her service to this commission. It is during where duty calls is in the nature of a loss to every member of this commission. It is to be regretted that we cannot make more of her kind, but the light of her presence might illumine the shadow of affliction here and give desolation abroad. It is entirely befitting her spirit that she should choose to leave her loved ones and friends here to endure the privation of service to others in a foreign land. I believe I voice the intense solicitation of this commission for her happiness and her safety. When she goes, whether mountains and oceans intervene between her and us, she has our hopes, our hearts and tenderest love with her always, and we will wait with eager eyes and tender longing for her safe return."

PRINCESS TO-MORROW AND FRIDAY.

"RICH MAN, POOR MAN"

Charming Marguerite Clark Has Splendid Role in Her Newest Paramount Photoplay.

Riches often proves a galling mockery when the possessor neither loves nor is loved by some one. This truth is exemplified in "Rich Man, Poor Man," the superb photoplay, starring Marguerite Clark, known far and wide to screen patrons as "the sweetest girl in motion pictures."

"I regard the role of Betty Wynne which I portray in this really splendid picture, as one of the best I have ever done," said Miss Clark to an interviewer recently. "Betty is a nice girl whose birth is enshrouded in some mystery, and she finds herself perfectly at home in the mansion of a grouchy financier when she is introduced as his grandchild through forged documents of which she is completely in ignorance."

"Betty dissolves the icicles in the old man's heart and he learns to love her deeply, so that when it develops that Betty isn't his granddaughter after all, he doesn't want to give her up. Of course, everything ends happily and the development of this attractive story, which is based upon Maximilian Foster's successful novel, is responsible for many situations of real dramatic power. Frederick Warde plays the part of the old financier in his usual artistic manner."

This Corn Will Peel Right Off!

"Geta-It" Makes Corns Come Off The "Banana-Peel" Way!

Why have to hop on the floor, squeeze yourself up like the letter 'Z', and with bulging eyes draw your face up into a wrinkly knot while you gouge and pull at the "quicks" of a tender corn? That's

2 or 3 Drops Applied in a Few Seconds—There's No Pain or Crying.

The old, savage way, "Geta-It" is the modern, painless, simple way. Lean over and put two drops of "Geta-It" on the corn, put your stocking and shoe right on again, and forget the corn. Pain is eased. "Geta-It" has revolutionized the treatment of corns. It never irritates the true flesh. You'll stop limping on the side of your shoe, and go away with creamy soles, adding bandages, thick plasters, painful methods. Use "Geta-It," common sense.

"Geta-It" the guaranteed, money-back, money-refund, the only sure way, a trifle at any drug store, Lawrence & Co., Chicago, Ill.

Sold in Louisville and recommended by the world's best corn remedy by Elgin.

PHONE GIRL. "FRANCE."

(From the European of the New York Herald.)

Thirty-three American telephone girls who speak English and French equally well have just arrived in France to operate switchboards in the various army headquarters of the American Expeditionary Force. They have been equally divided between the principal army center in Paris, Gen. Pershing's headquarters in the field and the headquarters of the lines of communication. American officers are pleasantly surprised to pick up receivers and hear the familiar, "Number, please," or "Line busy," instead of the usual French equivalents of J'écoute, j'écoute or Pas libre.

All the girls are provided with the regulation color skirt, blouse and dark blue hat, with the orange and white cords of the signal corps to which they are attached. A white brassard indicates the rank. There is a blue outline design of a telephone mouthpiece for first-class operators, the same with a wreath for supervisors, the same with a wreath and lightning flashes for chief operators.

WAR AND CHAUTAUQUA SECRETARY OF WAR BAKER SAYS:

"I am constantly facing the splendid results of the work done by the Chautauqua in this country in creating and sustaining a sound patriotic public feeling, and in carrying forward the great national enterprises which the government is necessarily bringing to the attention of our people; and I want you to know that as an officer of the government I not only appreciate the importance of the lecture platform as a means of communication and expansion, but also appreciate the work which you and your associates are doing as a contribution to our national cause."

GIVE ALL CHANCE TO GAIN COMMISSION

EVERY CANDIDATE IN FOURTH OFFICERS' TRAINING CAMP CAN GET CERTIFICATE.

Camp Taylor, May 21.—Official word has been received at Camp Zachary Taylor announcing that the restriction that only 50 per cent. of the students of the fourth officers' training school be granted certificates of eligibility, has been rescinded. The order also states that if 100 per cent. of the students of the officers' school now being held at Camp Zachary Taylor pass the course of instruction they will each be given a certificate of second lieutenant in the national army.

This affects approximately 400 who are now attempting to win the rank of second lieutenant. Heretofore the students of the officers' training schools have been somewhat downhearted because they felt that only one-half of their number would be granted certificates.

The students of the training camp now in progress at the Lincoln division are being given the most intensive of modern warfare training. They are kept busy from early in the morning until late at night. Although the entire number that were accepted as candidates remain in the ranks of the students, instructors said yesterday that many would be unable to stand the pace. The course of instruction is similar to that given the students of the third officers' training camp.
